

Princess Mikaela Borbajo

UI/UX Designer | Front-End Developer | Visual Designer

Cebu, Philippines | 09938951109 | borbajop@gmail.com | linkedin.com/in/princess-b-ba2a20362 | cessayfolio.vercel.app

SUMMARY

Software Engineering student focused on UI/UX design, front-end development, and creative digital products. Experienced in Figma-based interface design, responsive web layouts, branding, user flows, wireframes, high-fidelity prototypes, and usability-driven design improvements. Strong visual design background with experience creating student-centered apps, website redesigns, brand assets, and digital experiences for school, freelance, and community projects.

SKILLS

Design: Figma, UI/UX Design, Wireframing, Prototyping, User Flows, Design Systems, Branding, Visual Hierarchy, Responsive Design

Research: User Research, Usability Testing, Stakeholder Interviews, Feedback Integration

Frontend: HTML, CSS, JavaScript, React, Tailwind, Flutter

Creative: Canva, Affinity, Clip Studio Paint, Adobe After Effects, Illustration, Pubmat Design

PROFESSIONAL EXPERIENCE

Freelance UI/UX Designer & Front-End Developer, *WellLife*

01/2026

- Led UI/UX design and front-end implementation for web and mobile interfaces, improving responsive layouts, accessibility, and visual consistency.
- Created high-fidelity Figma prototypes, reusable UI components, and customer-facing flows aligned with stakeholder requirements.

UI/UX Designer, *Proud Bisaya Bai*

11/2025 - 12/2025

- Conducted stakeholder interviews and user research to define goals, user needs, and success metrics.
- Designed user flows, wireframes, and high-fidelity Figma prototypes; iterated through feedback and usability testing; prepared assets for developer handoff.

Freelance UI/UX Designer & Junior Project Manager, *Don Macchiatos*

11/2025 - 12/2025

- Delivered a responsive, accessible customer-facing interface within a one-month deadline, ensuring cross-browser compatibility and mobile optimization.
- Coordinated design tasks and supported project communication to keep deliverables aligned with deadlines and stakeholder expectations.

SELECTED PROJECTS

ZAPAC, *Commuter App for Cebu* | Project Manager, Product Owner, UI/UX Designer

08/2024 - 12/2025

- Defined product roadmap, prioritized features, and coordinated a cross-functional team to meet milestones.
- Led UX research and interaction design by mapping user flows, creating wireframes, and producing high-fidelity mobile prototypes for clearer trip planning.
- Designed mobile interface layouts and visual assets focused on usability, clarity, and local brand consistency.

GIMI, *Mental Health / Chatbot Product* | UI/UX & Visual Designer

03/2026 - 04/2026

- Produced UI flows and interface designs that balanced usability, emotional safety, and visual consistency.
- Designed the mascot, visual identity, pubmats, and promotional graphics to support product branding and student engagement.
- Supported team coordination as Acting Scrum Master in an agile development environment.

LINYA, *iACADEMY Student Publication Module* | UI/UX Designer & Front-End Developer

01/2025 - 04/2025

- Designed responsive student publication interfaces focused on readability, navigation, and accessibility.
- Created Figma wireframes, high-fidelity prototypes, and reusable UI components; supported front-end implementation using React, CSS, and Tailwind.

EDUCATION

Bachelor of Computer Science, Major in Software Engineering, *iACADEMY Cebu*
