

PRINCESS MIKAELA BORBAJO

UI/UX Designer | Front-End Developer | Project Manager

borbajop@gmail.com • 09938951109 • Cebu, Philippines • princess-mikaela-borbajo.vercel.app • linkedin.com/in/princess-b-ba2a20362

SUMMARY

Software Engineering student and UI/UX Designer with a strong background in user research, wireframing, and high-fidelity prototyping across freelance, startup, and academic projects. Skilled in Figma-based design systems, accessibility-conscious layouts, and front-end implementation (HTML, CSS, React, Tailwind) that bring designs to life. Experienced translating stakeholder needs into user-centered flows, with additional strength in project coordination and agile team leadership that keeps design and development aligned.

CORE SKILLS

Figma • UI/UX Design • Wireframing & Prototyping • User Research & Usability Testing • Design Systems • Canva • HTML/CSS • React • Tailwind • JavaScript • Node.js • Agile / Scrum • Stakeholder Management • Cross-Functional Team Coordination

UI/UX DESIGN EXPERIENCE

- Freelance UI/UX Designer** — *WellLife*

01/2026 – 01/2026

 - Led UI/UX design and front-end development for WellLife's web and mobile products, creating user-centered flows across the redesigned site.
 - Produced high-fidelity Figma prototypes and reusable design components while improving accessibility, consistency, and mobile performance.
- UI/UX Designer** — *Proud Bisaya Bai*

11/2025 – 12/2025

 - Conducted stakeholder interviews and user research to define product goals, user needs, and success metrics.
 - Designed wireframes, user flows, and high-fidelity Figma prototypes; iterated based on usability testing and feedback.
 - Prepared detailed design specifications and developer-ready assets.
- UI/UX Designer & Project Manager** — *ZAPAC — Commuter App for Cebu*

08/2024 – 12/2025

 - Led UX research and interaction design, mapping user flows and producing high-fidelity prototypes for a clearer trip-planning experience.
 - Designed mobile interface layouts and visual assets that balanced usability, clarity, and brand consistency.
 - Served as Project Manager and Product Owner, defining the roadmap and coordinating a cross-functional team to meet milestones.
- UI/UX Designer** — *LINYA — iACADEMY Student Publication Module*

01/2025 – 04/2025

 - Led UI/UX design and front-end development for the student publication platform, creating user-centered flows and reusable design components.
- Freelance UI/UX Designer & Project Manager** — *Don Macchiatos*

11/2025 – 12/2025

 - Designed and delivered a responsive, accessible customer-facing interface within a one-month deadline, ensuring cross-browser compatibility and mobile optimization.

ADDITIONAL EXPERIENCE

- Acting Scrum Master & Mascot/Brand Designer** — *GIMI — Chatbot Product*

03/2026 – 04/2026

 - Designed the GIMI mascot and contributed to the project's brand identity, visual style, and overall presentation.
 - Created pubmats and promotional graphics to support project visibility and communication.
 - Supported team coordination as Acting Scrum Master in an agile development environment.
- Transcriptionist Intern** — *Podcast Network Asia*

05/2026 – 07/2026

 - Completed a voluntary transcription internship with a perfect evaluation score, demonstrating strong accuracy, attention to detail, and reliability under deadline-driven workflows.

EDUCATION

- Bachelor of Computer Science, Major in Software Engineering** — *iACADEMY, Cebu City*

09/2023 – Present

 - Dean's Lister, 2023–Present | Cumulative GWA: 1.0850 | Latest Semester GWA: 1.045

- Vice President & SBO Officer (2nd Year)

LEADERSHIP & ORGANIZATIONS

- Purok Carrot II Youth Committee — Vice President (01/2023–Present): Coordinated community programs and led an award-winning large-scale community project alongside creative and event-planning duties.
- Software Engineering Dept. — SBO Officer / Vice President Course Representative (08/2024–11/2025): Represented the student body and coordinated student-facing communications and initiatives.
- IDE.A — Volunteer Creative Designer (08/2025–Present): Directed the club's visual brand identity and coordinated design output for events.
